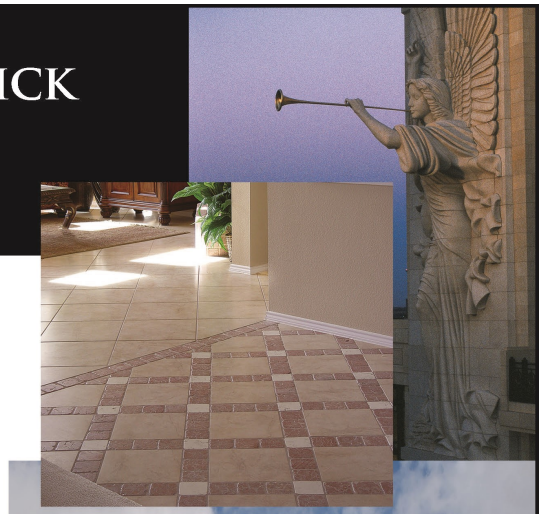
The Companies of Acme Brick Help You Build Beautiful Structures That Endure.



For more than 120 years, Acme Brick Company has been meeting the needs of contractors with hard-fired clay brick in a vast array of colors and textures.

American Tile & Stone, now 50 years old, is one of the Southwest's leading resources for ceramic tile and natural stone from around the world.

Featherlite concrete masonry units provide an economical, fireproof, and aesthetically exciting resource. Two specialty lines, oversize Caprock Stone and the half-high Town Square Series, are made here in DFW.

Texas Quarries produces the highest quality native Texas limestone in a variety of colors and textures, including world-famous Cordova Shell and Cordova Cream limestone.

IBP products are engineered and manufactured in Denton. They include GlassWalk structural glass floor systems and the exciting new Fast Track Stone support system.
