**CONSTRUCTION STARTS
SUMMER 2021**

**BID DUE DATE
MARCH 16, 2021**

BLOCK is proud to be the general contractor for Cowan Place in Fort Worth, Texas. This project is Phase 1 of the Stop Six Choice Neighborhood Initiative and is funded by a HUD CNI grant awarded to FWHS and the City of Fort Worth. This project is subject to MBE, WBE, Section 3, Davis-Bacon and Related Acts. BLOCK invites qualified subcontractors and vendors to submit bid proposals for this City of Fort Worth project. Cowan Place is a modern, senior, multifamily urban revitalization, in Fort Worth Texas. It consists of 174 units and four floors. The building will include some elements of universal design and the following community and activity spaces for residents, community garden, health suite, a beauty salon and fitness center. City of Fort Worth, Minority, Women Owned and Section 3 businesses are strongly encouraged to bid. BLOCK is committed to creating strategic business partnerships that strengthen the local construction industry and sustain our communities. All subcontractors must complete the Block Information form and submit with your bid.
