A/E/C REGIONAL & LOCAL IMPROVEMENTS

Embrace the Future at BuildFW23

Unveiling Opportunities in Infrastructure Projects In collaboration with the Fort Worth Hispanic Chamber of Commerce (FWHCC) and the Regional Hispanic Contractor Association (RHCA), we welcome all A/E/C professionals to engage with the key stakeholders shaping Fort Worth's infrastructure. Topics for discussion include the City of Fort Worth Transportation and Public Works staff from the Capital Delivery and Transportation Management divisions among others.

Key Project Topics:

- Fort Worth Bond Program and the critical \$177.3M investment in street system improvements.
- Ongoing and planned enhancements to arterial intersections, as well as traffic signals and established corridors. Expansion of neighborhood safety initiatives, especially around schools and high-injury network focus areas. Infrastructure needs, water demand, and population increase. Aligning with municipalities and TXDOT. Upcoming studies and design opportunities.
