

Kiewit

TRADE PARTNER NETWORKING OPEN HOUSE

BUILD NORTH TEXAS WITH KIEWIT BUILDING GROUP

NORTH TEXAS IS GROWING, AND SO IS KIEWIT.

For over 50 years, Kiewit has shaped communities across Texas by delivering critical infrastructure that supports the state's continued growth.

Kiewit Building Group is currently expanding its presence across North Texas, and is focused on building strong relationships with trade partners, subcontractors, and suppliers who share our commitment to safety, quality, and excellence.

Join us to meet key decision-makers from Kiewit Building Group, as well as Kiewit's Infrastructure and Water teams to learn about upcoming project opportunities. Let's explore how your company can become part of Kiewit's growing Texas network. Whether you're an existing partner or looking to establish a new relationship, we'd like to connect with you!
